Summary

Highly motivated recent graduate with a Bachelor's degree in Cybersecurity and a strong foundation in network security, ethical hacking, and incident response, proven through academic projects and a relevant internship at [Company Name]. Eager to leverage analytical and problem-solving skills, coupled with proficiency in [mention 2-3 key tools/languages e.g., Python, SIEM tools, etc.], to contribute to a dynamic cybersecurity team. Possessing a quick learning aptitude and a passion for staying ahead of evolving threats, I am excited to begin my career in this field.
